He was still shaken, appalled, by the ease with which Gelluk had forced him to say his name, which gave the wizard immediate and ultimate power over him. Now he had no hope of resisting Gelluk in any way. That night he had been in utter despair. But then Anieb had come into his mind: come of her own will, by her own means. He could not summon her, could not even think of her, and would not have dared to do so, since Gelluk knew his name. But she came, even when he was with the wizard, not in apparition but as a presence in his mind. "You can? Is it allowed?" Through love, respect, and trust, Dragonfly would never disregard a warning from Rose; but she was unable to see Ivory as perilous. She didn't understand him, but the idea of fearing him, him personally, was not one she could keep in mind. She tried to be respectful, but it was impossible. She thought he was clever and quite handsome, but she didn't think much about him, except for what he could tell her. He knew what she wanted to know and little by little he told it to her, and then it was not really what she had wanted to know, but she wanted to know more. He was patient with her, and she was grateful to him for his patience, knowing he was much quicker than she. Sometimes he smiled at her ignorance, but he never sneered at it or reproved it. Like the witch, he liked to answer a question with a question; but the answers to Rose's questions were always something she'd always known, while the answers to his questions were things she had never imagined and found startling, unwelcome, even painful, altering all her beliefs. the wind of dawn blew on the sea. . . there maybe a room above the tavern?" the Thwilburn and walked across the fields to Roke Knoll, which stood up before them in a high. walked down it. Among the Kargs the power of magic appears to be very rare as a native gift, perhaps because it was neglected or actively suppressed by their society and government. Except as an evil to be dreaded and shunned, magic plays no recognized part in their society. This inability or refusal to practice magic puts the Kargs at a disadvantage with the Archipelagans in almost every respect, which may explain why they have generally held themselves aloof from trade or any kind of interchange, other than piratical raids and invasions of the nearer islands of the South Reach and around the Gontish Sea.
